

Welcome Back!

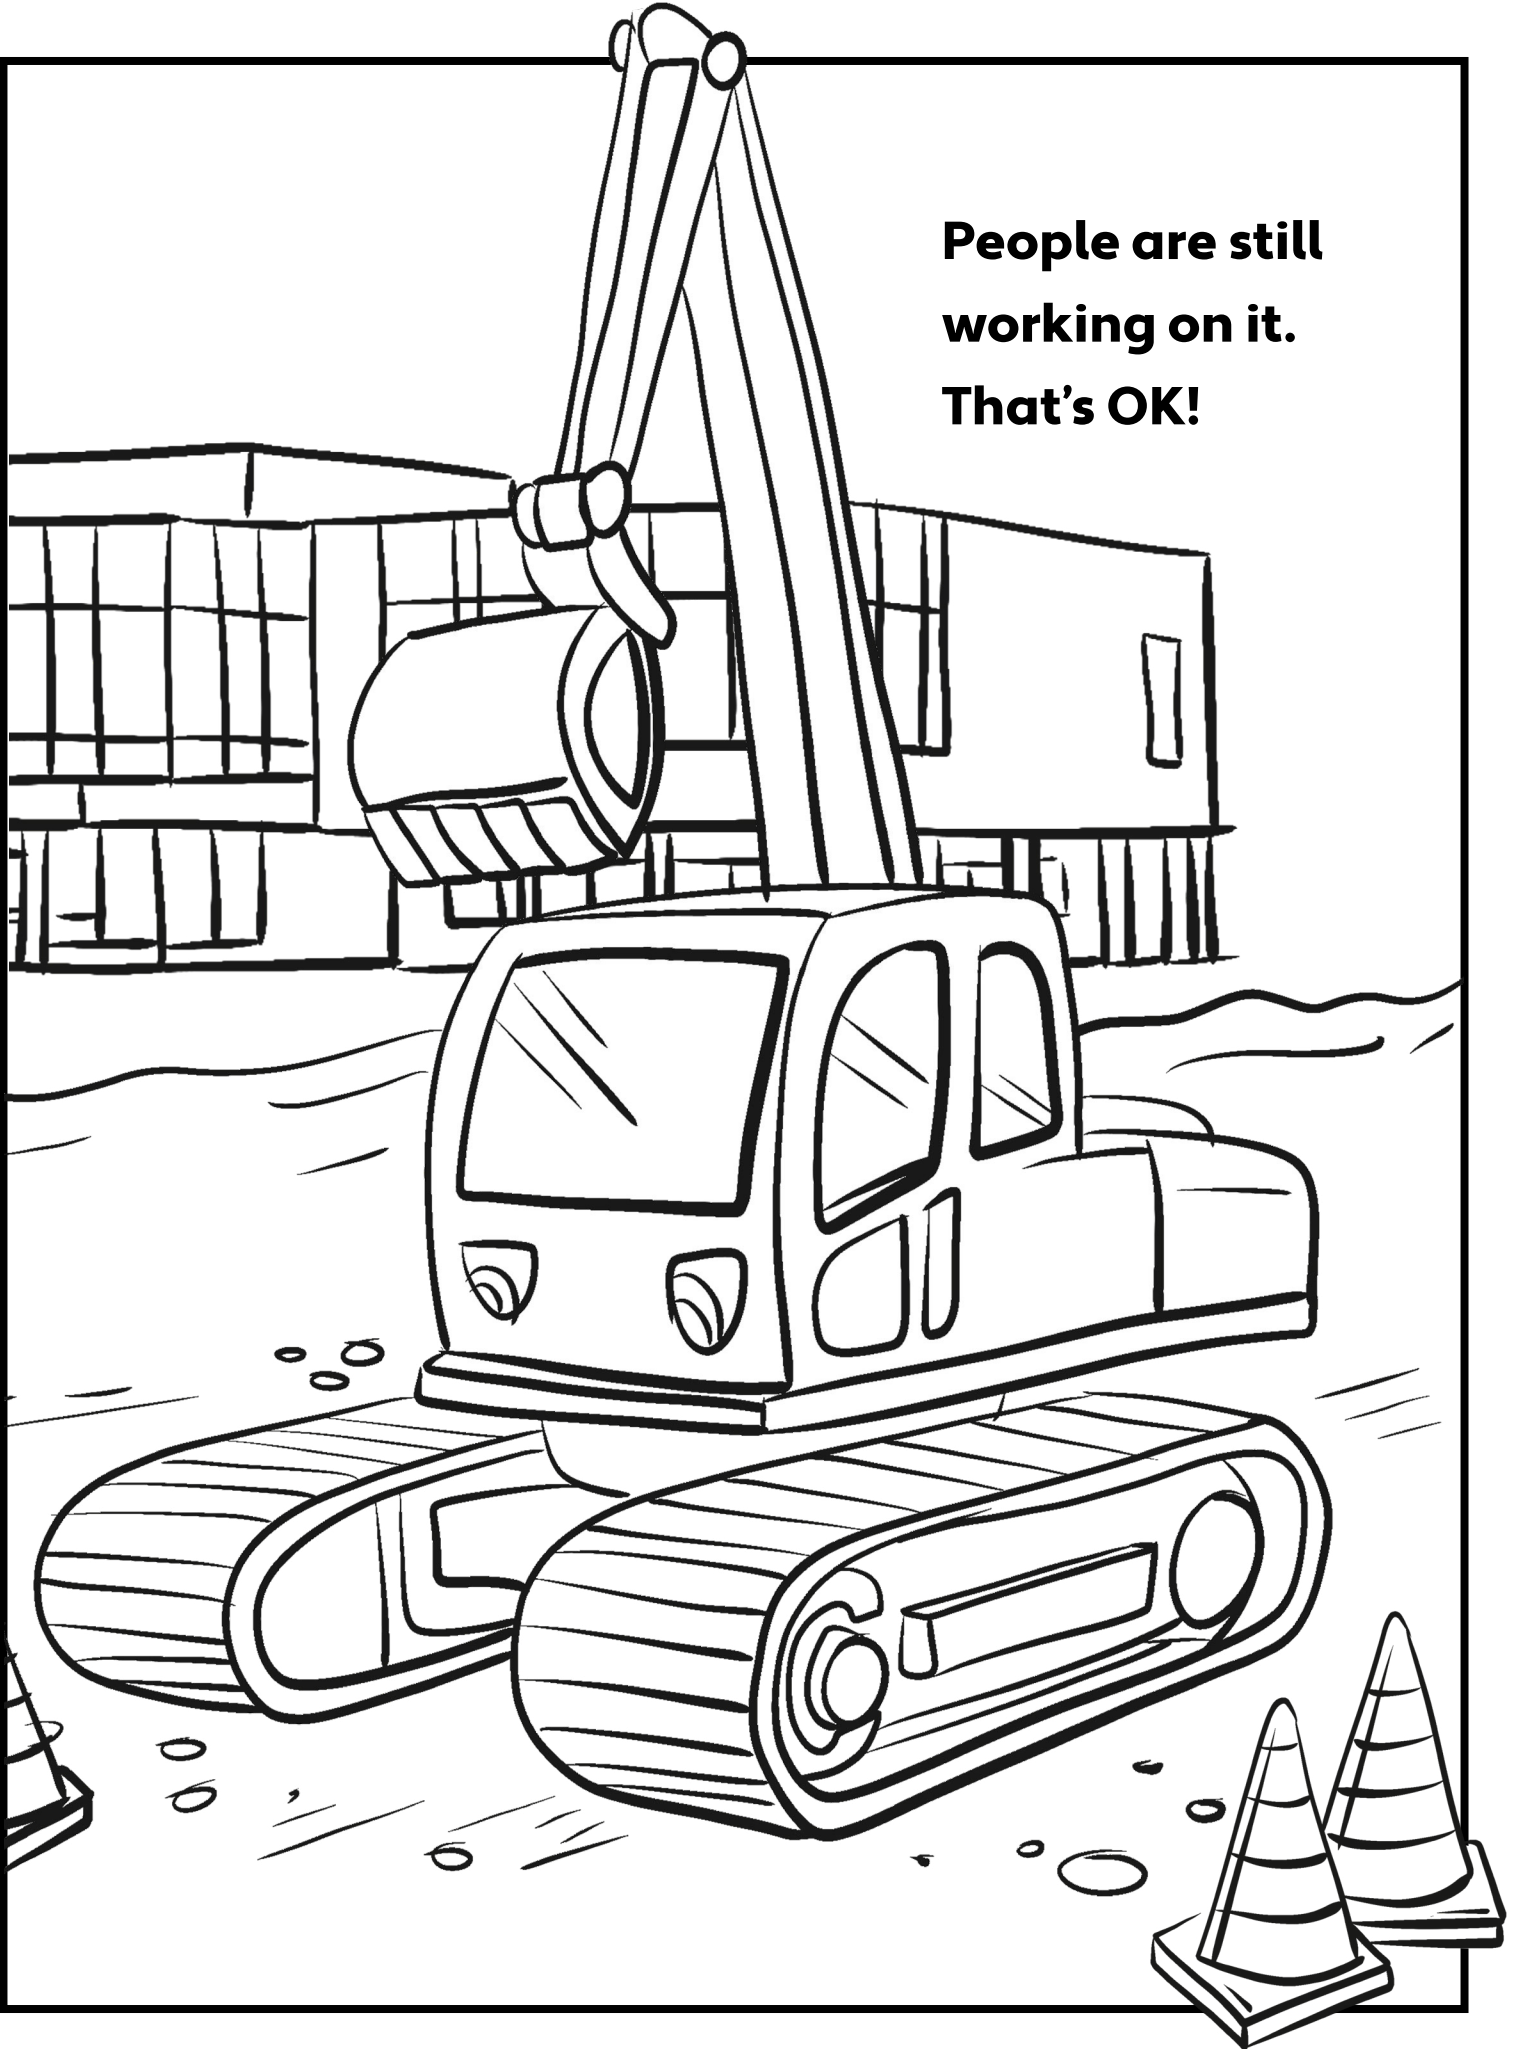

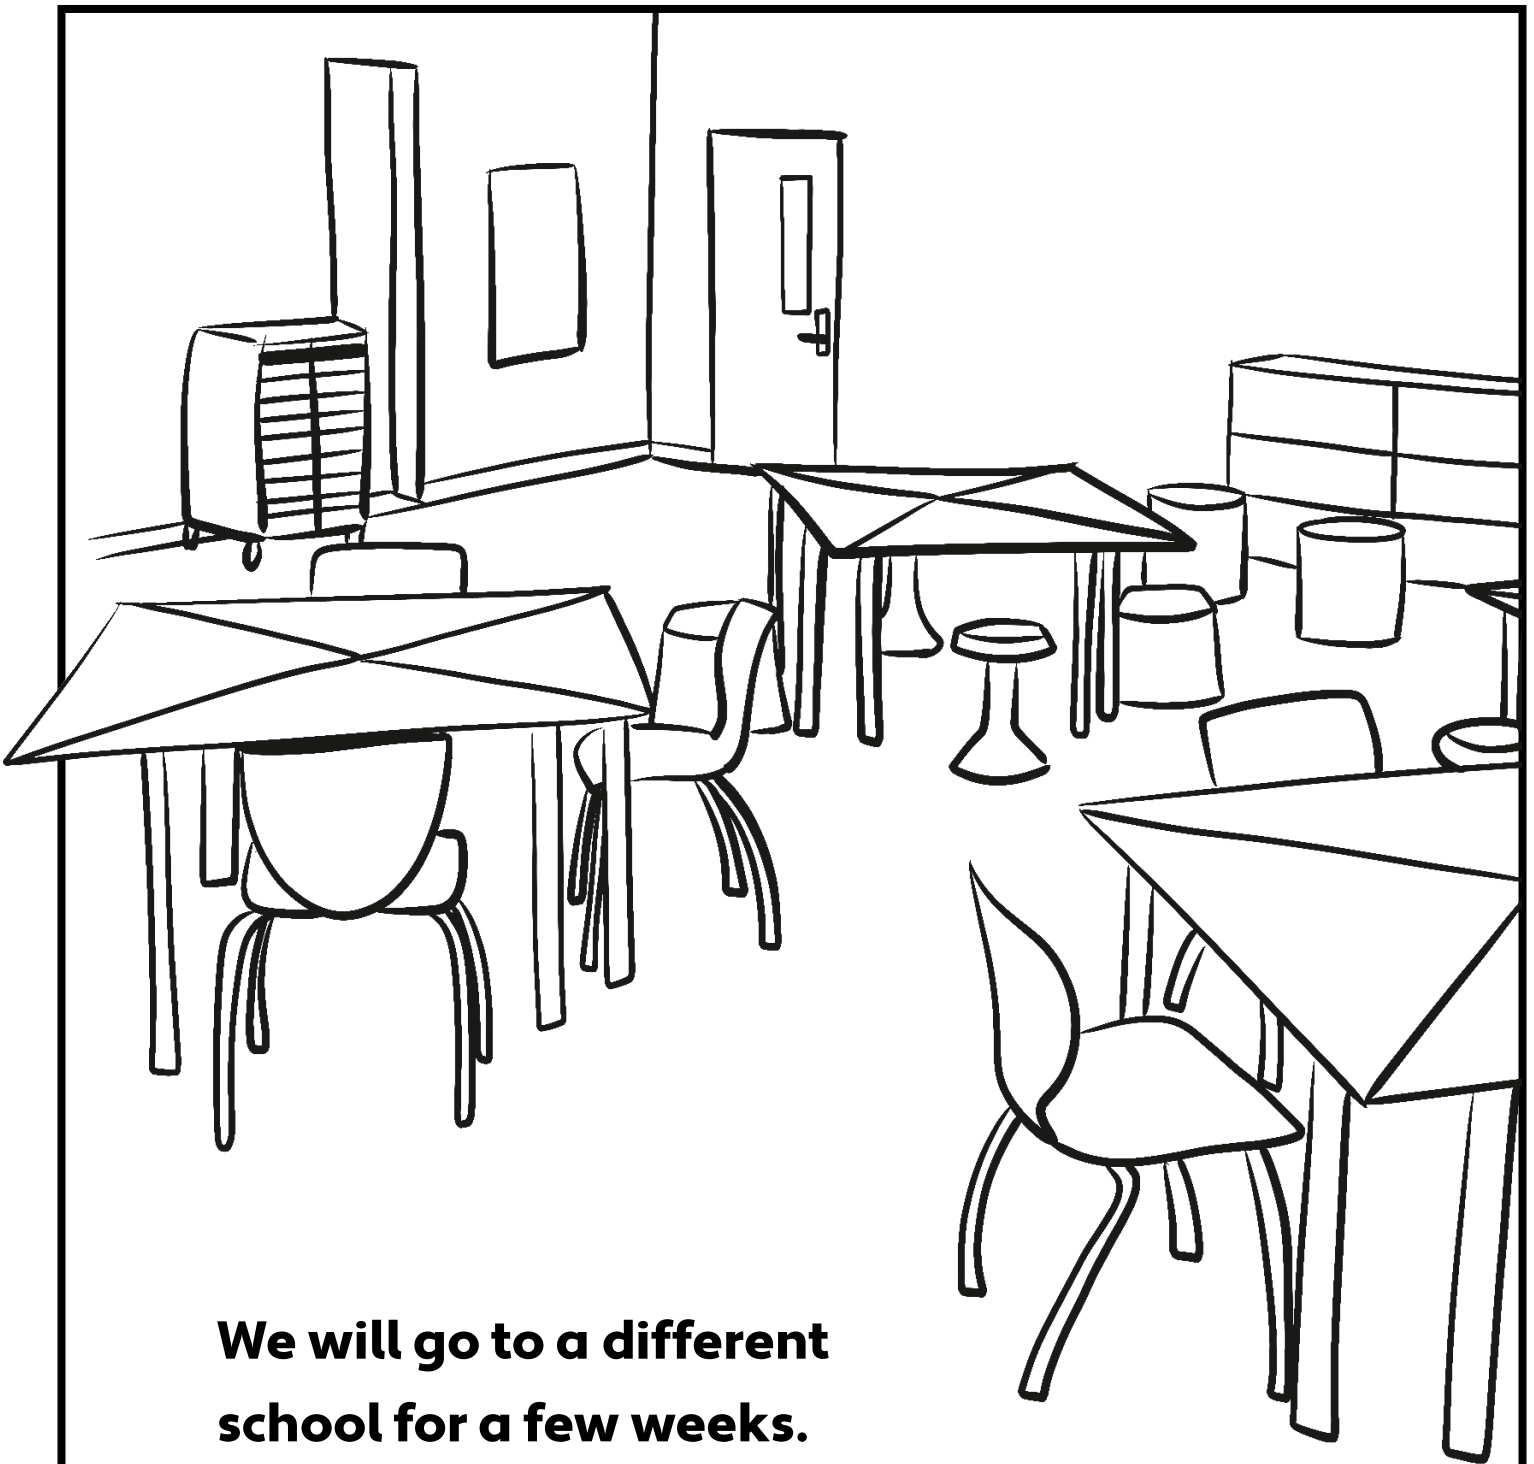

Josiah Henson Public School

**I can't wait for our new
school to be ready!**

**People are still
working on it.
That's OK!**

**We will go to a different
school for a few weeks.**

**My teachers and friends
will be there too!**

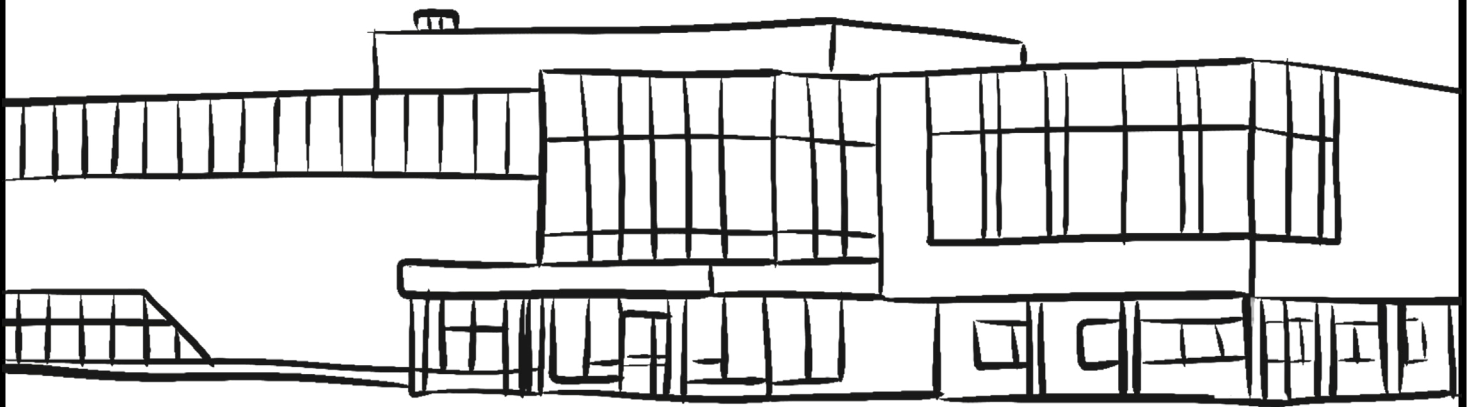

**We will learn, play, and
have fun – just like always.**

Welcome to your

new school

Soon, our school will be ready, and my friends will go back together!

We can be brave.

We can do this!
