

Attestation of Employee/Potential Employee of the Durham District School Board (“DDSB”)

I hereby attest that I have not authored, encouraged or supported any public communication or comment in any form, including but not limited to social media, that would constitute discrimination and/or harassment under the Ontario Human Rights Code and/or workplace harassment and/or violence under the Occupational Health and Safety Act and/or that would otherwise compromise the DDSB’s commitment and obligation to maintain an inclusive and safe learning environment in accordance with the Education Act.

Further, I hereby attest that I have not authored any public communication or comment in any form, including but not limited to social media, that would adversely affect the reputation of the DDSB as an employee or if I were to become an employee of the DDSB.

I understand that the DDSB is relying on this attestation in extending any offer of leadership employment to me.
