SPECIAL EDUCATION ADVISORY COMMITTEE

Member At Large Position Available

The Durham District School Board's (DDSB) Special Education Advisory Committee (SEAC) is seeking applications for one Member At Large positions.

What is SEAC?

Under Ontario's Education Act, every student is entitled to a program which meets their needs and supports equitable and inclusive education. In Durham, our Special Education Advisory Committee (SEAC) helps the Board protect the rights of students with special learning needs. SEAC provides information, advice and assistance to parents/guardians to address potential barriers in education for their children. SEAC advises and makes recommendations to the District concerning the establishment and development of special education programs and services. SEAC meetings are a monthly (September – June) forum for SEAC members to discuss and provide advice on district programs and support services for exceptional students.

.....

Did you know? Serving on SEAC is a great opportunity to support and contribute to DDSB school communities and build valuable personal and professional skills and experiences.

DDSB Special Education Plan

The DDSB is committed to upholding its responsibilities to promote and protect Indigenous rights, human rights and equity, and to support the well being of all students. The DDSB's Special Education Plan guides our focus on inclusive models of special education to identify, prevent and address barriers that may affect equitable and accessible learning opportunities, experiences and outcomes for students. SEAC provides important community voice and expertise on programs and services that support the DDSB's commitments and Special Education Plan.
