The Durham District School Board is pleased to advise our Community Sponsors that students who are performing volunteer work for your organizations are protected by the school board's liability insurance, while they are performing their required forty hours of community involvement service. Community sponsors are also protected by the board's liability insurance for claims that arise out of our students' volunteer activities for your organizations.

Community Sponsors will be responsible for ensuring that their liability insurance will protect them for their involvement in this program. Community Sponsors should also be aware that students do not have accident insurance, nor Workplace Safety Insurance coverage through the school board. It is recommended that students involved in the program purchase Student Accident Insurance.

## Mandatory Community Involvement

### Activity Record

As stated in Ontario Schools, Kindergarten to Grade 12: Policy and Program Requirements, 2011 (OS), every student must complete a minimum of 40 hours of community involvement activities as part of the diploma requirements. The purpose of this requirement is to encourage students to develop an awareness and understanding of civic responsibility and of the role they can play and the contributions they can make in supporting and strengthening their communities. (OS: page 60)

Although this diploma requirement applies to students in Grades 9 to 12, students in Grade 8 are able to start accumulating community involvement hours in the summer before they enter Grade 9. (OS: page 60)

The Durham District School Board welcomes the opportunity to acknowledge the contributions our students make in their communities.

### PLAN

Students plan and select their community involvement activities in consultation with their parents and as part of the Individual Pathways Plan process. The activity must fall within the guiding principles the Board has established, and should be identified on the Board's list of examples.

### CONFIRM

Students should confirm the details of the activity with the organizer who will be responsible for the activity.

### DESCRIBE

Students must list the activity on this form. If the activity is not on the Board's list of examples, the student must get approval of their principal or school designate prior to the completion of the hours.

### SUBMIT

Upon completion of the planned activity, student should have the supervisor of the activity print their name and sign in the designated area on the form.
