

## Message to **Elementary** Families RE March Break Postponed

February 11, 2021

**Subject:** March Break Postponed Until April 12th

Earlier today, the Minister of Education announced that the March break scheduled for the week of March 15th, 2021 has been postponed and will now take place during the week of April 12th, 2021. The decision was made on the advice of Ontario's Chief Medical Officer of Health and more information on this decision can be found in this [Ministry of Education press release](#). Please note that the regularly scheduled board holiday on Friday, March 12, 2021 will still go ahead as scheduled.

This change also applies to students learning virtually through DDSB@Home to align with the break for in-person students.

With March break being postponed, it highlights the importance of everyone following the direction of public health officials by avoiding gatherings outside of your household, wearing a mask, washing your hands and avoiding non-essential travel as much as possible.
