If everyone wears a mask, it will help keep all students and staff safe.

Wearing a mask is mandatory for students in Grade 4 to 12.

Mask wearing is strongly encouraged for Kindergarten – Grade 3 students.

We encourage students to bring masks from home to wear at school. The DDSB will have masks available for students, if they forget or lose their own.

Students with hearing and vision impairments will be accommodated based on individual student needs, use of closed captioning, cleaning protocols for tactile materials and some provision of clear masks to educators to support non-verbal communication such as lip-reading.
